Pelle bovina proveniente da macelli europei, concia al cromo, tintura semivegetale, spessore 1,2/1,3 mm. Questa pelle è trattata in modo da avere un aspetto vissuto e volutamente invecchiato. Le variazioni di colore non sono omogenee sulla pelle intera e cambiano su ogni partita.

Bovine leather originating from European abattoirs. Chromium-tanned and semi-aniline dyed leather. Thickness 1,2/1,3 mm. The fabric is treated to give it a vintage look an uneven hue; any streaks are not to be considered manufacturing defects but an actual feature of the product.
